The **INSTANT** Homeowner's Insurance Integration

Ordering Homeowner's Insurance

Important Information

Electronic Borrower Consent

- Once you place the order, your customer will receive an email from QuickInsured requesting consent to generate their Homeowner's Insurance quotes.
- After consent is provided, quotes will be generated and the consumer will be given instructions on how to bind the policy.

Step 4 - Final Step!

Check the status

- To retrieve your quotes, launch the **QuickInsured** service again and select the **Check Status** tab.
- Highlight the order and click the **Check Status** Button

Life moves... move with it!

The Technology Enabled Agency

QuickInsured (QI) is an independent insurance agency that specializes in the mortgage industry. We know that obtaining Homeowner's Insurance quotes is often a time consuming process for consumers, and can complicate and delay mortgage closings. QI has partnered with Ellie Mae to launch an exciting integration in Encompass that enables loan officers to provide borrowers with a secure, bindable quote within seconds.
